

Wish Supporter Giving Guide
 How you can help make wishes come true!

The Make-A-Wish Foundation® of the Mid-South needs your support to ensure that every medically eligible child referred can *share the power of a wish*®.

A \$5,000 contribution allows you to become a **Wish Sponsor** to fulfill the one true wish of a Mid-South child with a life-threatening medical condition.

How to provide additional support:

Often times there are costs associated with a child’s wish that exceed the Wish Sponsor level, requiring the need for additional funding. Wishes requiring travel are one of the highest expenses the Foundation incurs, creating the need for additional funding.

Listed below are opportunities to underwrite a significant portion of a child’s wish or, sometimes multiple wishes. Giving at all levels helps make wishes come true. The following is a guide detailing additional costs. We invite you to share the magic by considering one of the following levels of support:
